

Class of 2020
An overview of events and programs

Visiting college representatives:

Colleges and universities visit Baylor throughout the fall. These visits, held during lunch, provide a perfect time for juniors to speak with admission representatives about the application/admission process. The Daily Announcements (found in FirstClass) and Twitter (@BaylorCC411) provide a list of schools visiting each day.

Financial Aid Workshop for parents:

A college financial aid professional will help parents navigate the Free Application for Student Aid (FAFSA), Prior Prior Year, and the College Board's CSS Profile. The financial aid program will take on Thursday, September 1 from 6:00 - 8:00 p.m. in the Chapel Lecture Hall.

PSAT: Wednesday, October 19.

- *All upper school students take the PSAT. For more information about the PSAT click: <https://collegereadiness.collegeboard.org/psat-nmsqt-psat-10?navId=gh-pn>

College Matters:

The College Counseling Office offers several college counseling sessions for parents that address a myriad of issues surrounding the college search and selection process. An email reminder that contains a RSVP link and location posts to your FirstClass email each month.

Colloquium session:

On Thursday, September 8, the college counselors will meet with the freshmen class during Colloquium to discuss how course selection and sequence can positively impact one's high school career and college admission process. Sharon Wang, Dean of Students, asks the freshmen to reflect upon all aspects of their middle school years and encourages them to establish an intentional academic and extracurricular approach in the upper school.

Coast-To-Coast College Fair:

The Coast-to-Coast College Fair is a gathering of colleges and universities from around the country. Freshman and parents are encouraged to attend. You may visit www.coasttoeastcollegefair.com to learn more about this event. The fair will be held Thursday, March 30 in the Chattanooga Convention Center.
